LIFETIME GLASS BREAKAGE WARRANTY

This warranty is extended to the original single family homeowner identified in this warranty certificate (Certificate), by The Manufacturer. Subject to the terms and conditions put forth in this warranty certificate, The Manufacturer makes the following warranties to the original single family homeowner regarding the insulated glass panels of the replacement window(s) and patio door(s) installed on the property identified in this warranty certificate.

If a panel of insulated glass manufactured by The Manufacturer and installed in one of its replacement windows or patio doors should break for as long as you own your single family home, The Manufacturer will furnish a replacement panel at no charge.

This warranty is limited to the furnishing of replacement insulated glass panels and does not cover or include any labor cost. Glass panels with Heat Mirror glass or mini-blinds between the glass will not be covered in this Lifetime Glass Breakage warranty. The Manufacturer will not be responsible for any cost incurred in the removal or reinstallation of the insulated glass panels or window. Additionally, this warranty does not cover damages resulting from fire, flood, earthquake, lightning, ice, windstorms, tornados, hail or other acts of God or acts of civil unrest (i.e. war, riots etc.). This warranty is not applicable for products installed in non-owner multi-family occupied dwellings or used for commercial purposes such as schools, churches, government owned structures, office buildings, etc.

The warranties put forth in this certificate are the only expressed warranties extended by The Manufacturer in connection with glass breakage. The remedies set forth in this certificate shall constitute the original homeowner's exclusive remedies, and The Manufacturer shall not be liable to the homeowner for incidental or consequential damages for the breach of any expressed or implied warranties in connection with the insulated glass panel or windows. This limited warranty may not be changed or modified by any representative of the manufacturer or its distributors or dealers.
